Guards TRAINING

Our individually vetted, highly skilled security guards not only ensure the safety of our clients and their property, but they also act as client service ambassadors. Our immaculately turned out guards can also man a front table or act a picket to regulate access to a neighborhood. You can use guards as escorts for patrons and cars and also regulate movement and traffic. Ensure foolproof security and safety for yourself, your loved ones, staff and property.

Fire Safety EXPERTS

We are one of the leading organizations in the field of fire protection and industrial safety equipment and provide end-to-end solutions that include, hazard assessment and risk mitigation, detection and early warning, alarm and escape systems, training and safety awareness programs, suppression and extinguishing. We also offer exclusive training programs to train individuals and groups in basic fire safety, evacuation procedures, and first responder actions. We provide one stop solutions for all fire protection and industrial safety products and services.

Surveillance ROOM

We use state-of-the-art technology to ensure the safety of personnel, equipment and infrastructure. Our highly trained technicians provide the system that best meets your requirements. Oversees installation, functioning and maintenance. We also follow up with training the client's employees in using the system optimally and also ensure that the systems functional optimally and with minimal downtime. All this with one eye kept securely on your budget.

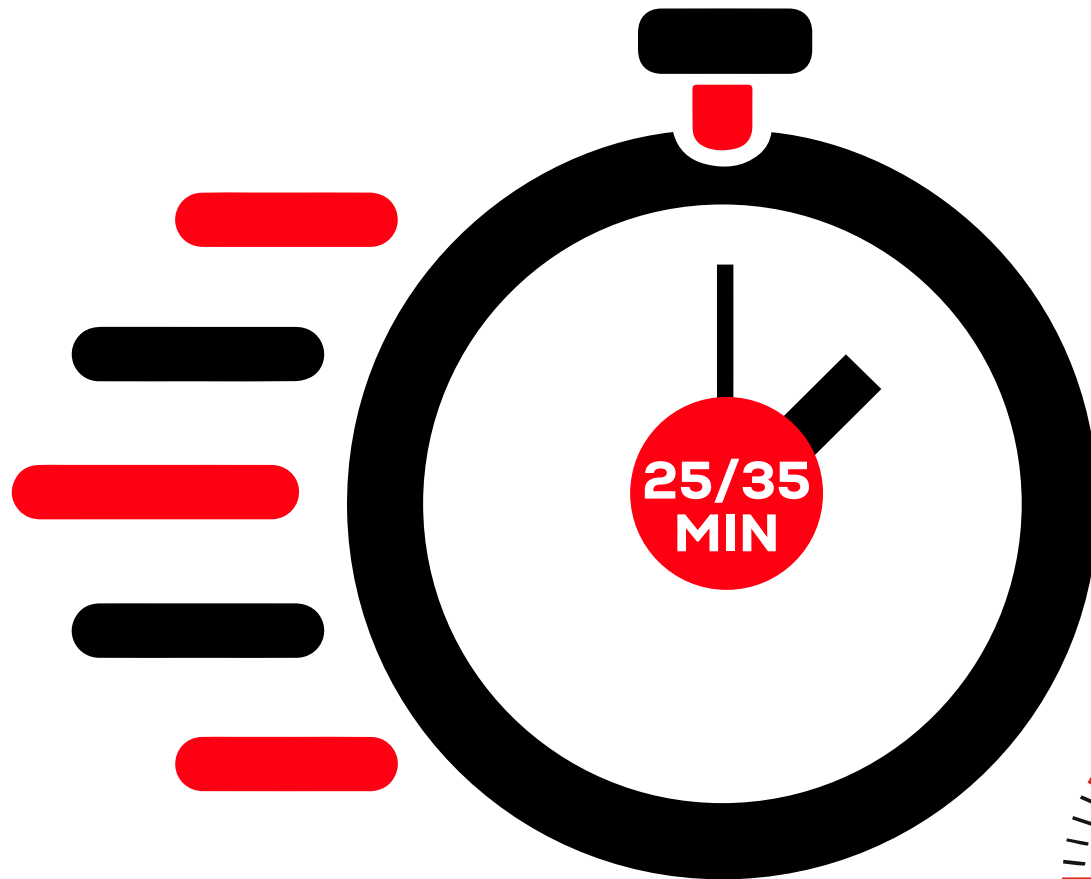

Man Power OUTSOURCING

Often, firms require security personnel for a particular task and outsource them on assignment basis. They are not on the regular payroll of the company but on a project basis. This saves the need to hire new staff, which thereby reduces costs. Yet the manpower outsourced has to be trained, reliable and accountable. We ensure it and deliver individuals or complete teams for security/administrative projects. We also develop specially tailored teams as per the requirement of the client and take full responsibility to ensure selection, training and performance of each member.
